SAVING TIME MEANS SAVING LIVES

Colorado Drone Chargers™ multi-battery charging systems

Colorado Drone Chargers™ - Higher Quality. Faster Speeds.

Colorado Drone Chargers™ (CDC) designs and manufactures the most rugged, dependable and highest-speed drone charging systems on the market. The Mavic 2 PRCS Elite charger is built to last, and is designed to charge *more batteries in less time*.

Featured Charger: Mavic 2 PRCS Elite

Mavic 2 PRCS Elite Charging System

The Mavic 2 PRCS Elite system charges up to four batteries and one flight controller simultaneously in record time.

The charging system is designed to be powered from diverse power sources ranging from pure sine wave to modified sine wave, often provided by inverters and generators. It features *CDC Intelligent Charging* for safety and speed: current, voltage and temperature management. Charge your batteries where you fly.

All Colorado Drone Chargers™ provides its best to customers which is why products come with an industry-leading two-year warranty. We stand by our products.

SAVING TIME MEANS SAVING LIVES

Colorado Drone Chargers™ multi-battery charging systems

Designed for the most critical & rugged situations

Colorado Drone Chargers™ charging systems are designed for the most rugged environments and most critical missions. CDC charging systems are easy to use, portable and built to last. CDC product quality speaks for itself as a top choice for business and industry, emergency service teams (SAR, police, fire, S.W.A.T.) and national governments and agencies around the globe.

When Time Matters Most

Colorado Drone Chargers™ understands the importance of rapid drone deployment and rapid charging. For many of our customers, time spent recharging batteries is time away from saving lives. The Mavic 2 PRCS Elite charging system from Colorado Drone Chargers™ will recharge batteries from a 20% level to 90% in 30 minutes and 98+% in just 55 minutes.

Charger System Details

- Proprietary charging algorithms
- Built-in power supply
- 100% duty cycle
- Multi-fan cooling
- CDC *Intelligent Charging* current, voltage & temperature management
- Compatible with DJI Mavic 2 Intelligent Flight batteries
- Protective hard case
 - IP65-rated
 - Watertight
 - Dust proof
 - Impact resistant
 - Pressure release valve—easy open
 - Available in tan, black and orange

**Batteries not included*
